- Tunisia is one of the safest countries in North Africa, pointing to Italy on the one hand, and on the other hand plunging its roots in the depths of the Sahara. Tunisia is an excellence link between Europe and Africa, between East and West. Marked very early by the imprint of the greatest civilizations, it was the center of the Carthage empire, some of whose popular traditions perpetuate the distant legacy. It was a brilliant Roman province with impressive ruins and sumptuous mosaic paintings. A welcoming land uniting beauty, grandeur, solidarity,

ingenuity, fidelity, the soft touch of fine sand and oriental melodies breathtaking landscapes.
